When it otherwise indicates its acceptance of this order, or when it delivers to Buyer any of the goods ordered herein or renders for Buyer any of the services ordered herein, and expressly limits acceptance to the terms and conditions stated herein, any additional or different terms proposed by the Seller are rejected unless expressly assented to in writing by Buyer. No order shall exist except as herein provided.

 - (d) Should Seller be aware of the production of any product not conforming to the requirements of the order, Seller must immediately notify Buyer. Additionally, should Seller substantially modify the product or process, Seller shall immediately notify Buyer and obtain written approval for the modification.

Buyer may request monetary or other concession for non-conforming goods used as is or reworked at Buyer’s facility. Should Buyer repair or rework non-conforming or damaged goods, all purchase order terms and conditions shall remain in full force and effect as to the goods furnished by Seller. Buyer’s rights under this subparagraph shall be in addition to and shall not be deemed to diminish Buyer’s rights under Warranty.
 - (f) Acceptance of any part of the goods shall not bind Buyer to accept future shipments not deprive it of the right to return goods already accepted. If the Seller notifies the Buyer that product is suspect, the Buyer will be under no obligation to return the material to the Seller. Similarly, if the Buyer identifies some or all of the product as counterfeit, the Buyer will notify the Seller of such determination, and the Seller will supply replacement material at no additional cost to the Buyer. In either case, the material will be quarantined at the Buyer’s facility and disposed of properly to ensure the product does not re-enter the supply stream.
